Financial Highlights April 2019

Issue date: 5/23/19

Retail Revenues

- April's temperature was in line with the 5-year average after two of the coldest average temperature months in the past 15 years. Heating and cooling degree days were also in line with their respective 5-year averages. Retail revenues were 3% below budget estimates primarily to lower than budgeted irrigation loads.
- Retail revenues year to date are 4% above budget estimates.

Net Power Expense (NPE)

- NPE of \$6.3M was down 14% from budget estimates for the month.
- Slice generation was above budget for April by 26 aMW's, with more Slice power was sold into the secondary market which returned about \$800,000 over budget estimates.
- Irrigation loads continue to lag behind budget estimates which are the primary factory for NPE being under budget.
- Net Power Expense was \$32.6M for the year about \$5.1M above budget.

Net Margin/Net Position

- Net position and net margin continue to track below budget about \$4.0M and \$3.5M respectively, this is primarily due to a record cold February and colder than normal March which included a power price spike. The District is still forecasting a positive net income of \$2.5M.

Capital

- Capital expenditures for the year are \$5.9M of the \$18.1M budget.

O&M Expense

- April's O&M expenses, before NESCC, were \$1.9M or 9% below budget.
- O&M expenses YTD, before NESCC, were \$0.2M or 3% below budget.

(1) Internal interest budget is estimated based on cash flow projections (an interest rate of 3.53% is being used).

(2) Includes excess of revenues over operating costs, capital expenditures and NoaNet assessments; excludes depreciation and internal interest to Electric System

(3) The March general expenses were updated to reflect the amortization of a City of Richland build, that was posted after the March broadband information was prepared.
